Welcome to the Leonardo Procurement Portal
Enter your data and follow the steps to complete your registration. In case of difficulty, please contact the Leonardo Procurement Portal Helpdesk.

General Information
Vendors wish to complete their registration by providing the following information:
- Personal data and corporate information. Data will be evaluated and if found to be interesting to the company, the vendor will receive an email at the address indicated as a contact containing vendor. Upon registration, the vendor will receive an email at the address indicated as a contact containing vendor. Upon registration, the vendor will receive an email at the address indicated as a contact containing vendor.

Code of Ethics
To complete your application, the vendor shall declare to have read the Code of Ethics of Leonardo SpA, and that the Company does not act in contrast with the rules contained in this document, by clicking in the box "I have read the Code of Ethics of Leonardo SpA" of the link:
The supplier is required to read the Code of Ethics of Leonardo SpA and to declare that the Company does not act in contrast with the rules contained in this document.
☐ I have read the Code of Ethics of Leonardo SpA and I declare that the Company does not act in contrast with the rules contained in this document.

Consent
Supplier's personal data ("Data") communicated at the time of registration by completing this form will be processed by Leonardo S.p.A. or its subsidiaries or affiliates companies.
Therefore, please read the information provided pursuant to art. 13 of the 2016 Italian Legislative Decree n. 101, in which case the data processing is necessary for the purpose of providing services and for the possible signing of contracts with Leonardo S.p.A. or its subsidiaries or affiliates companies.
[Information on Data processing \(Article 13 GDPR\)](#)

With acknowledgment of the information, Data entering and explicit acceptance, Supplier expressly consents to Data processing by LDO with methods and for purposes as described in the aforesaid information.
By accepting this disclaimer, who accesses to Procurement Portal declares under his own responsibility:
- to have the power to release information about the Company which the data refers to;
- that data communicated and entered in this system are real and, if required, supported by objective evidences;
- to be aware - in case of false declarations and / or training or use of the Procurement Portal - that the Supplier will be excluded from Leonardo Suppliers Register and / or the bid will be revoked or the award will be annulled;
- to have read and agree to the terms and conditions of Procurement Portal and that the Company does not act in contrast with the rules contained in this document.

231 Model
